

सूचना / NOTICE

Dear Students,

Due to the unpredictable weather conditions and impending hazards, we urge all students to refrain from any unnecessary travel, trekking or visits on holidays to hill stations or water bodies until further notice. The safety and well-being of our students are of utmost importance to us. Given the current climatic uncertainties, including heavy rainfall, landslides, and potential road closures, it is imperative that you exercise caution and prioritize your safety above all. Please stay updated with weather forecasts from reliable sources and adhere to any advisories issued by local authorities. If you have any concerns or require assistance, do not hesitate to reach out to us any time. Our team of Hall assistants/wardens is available to reach out to you. We also want to share an unfortunate bike accident which had occurred yesterday on 28-04-2024 on fore shore road in which three of our students were badly injured. Among the three, one of the students namely VIPUL TYAGI (2022 BMECH115) was operated upon by the doctors in a very serious condition at SKIMS Soura and is battling for his life. Prima facie it appears that the accident has occurred due to rainy weather associated with slippery road condition and high-speed driving. We urge all the NIT fraternity to pray for his speedy recovery. Keeping in view the above facts, it is once again stressed that unnecessary travel etc. may kindly be avoided till further orders. Your cooperation and understanding in this matter are greatly appreciated. Let us all work together to ensure the safety and security of everyone in our community.

Stay safe and take care.
