

Congratulations to NIT Students for bringing laurels to the institute

Two students of 4th Semester Mechanical engineering, Rajpal Singh (Mech 154/16) and Ateeb Ahmed (Mechanical 158/16) have qualified for the Regional level of the India Skills competition in Mechanical CAD Skill. The Regional competitions are scheduled to be held at Lucknow in first week of June wherein the winners of the Regional level skills competition will further participate in the National level skill competition leading to the Worlds skills competition to be held at Kazan Russia in 2019.
