ABOUT NIT Srinagar

National Institute of Technology, Srinagar is one of the premier Educational Institutes in the Northern Regions of the country. It was established in 1960 and has been one of the eighteen Regional Engineering Colleges sponsored by the Govt. of India during the 2nd Plan. The Institute acquired the status of National Institute of Technology with deemed to be University status during August, 2003 and attained full autonomy in its Academics

ABOUT THE ADVANCED MDP, MSME

The objective of the programme is to motivate youth from different sections of society including SC/ST/women, differently-abled, ex-servicemen and BPL persons to consider self-employment or entrepreneurship as a career option. The ultimate objective is to promote new enterprises, ensure capacity building of existing MSMEs and float an entrepreneurial culture in the country.

This one week activity is aimed at capacity building of MSMEs through inputs on management practice system is to improve their decision-making capabilities resulting in higher productivity and profitability of existing and potential entrepreneurs and developing new enterprises. Inputs on a variety of topics of managerial functions will be provided to the participants by experts, which aim at dissemination of knowledge of scientific/modern management techniques / practices.
