Subject: *Reply to Unstarred Question Dairy No. 585 to be answered on 14.9.2020*

Sir/Madam,

This has reference to Parliament Question No. 585 regarding above cited subject. In this regard, the required information pertaining to National Institute of Technology Srinagar is as under:

a. Whether the only about 20% of engineering students get employed after coming out of colleges?

Yes, less than 20% of engineering students get employed after coming out of colleges. There are many reasons behind that i.e. lack of infrastructure at college/university, lack of industrial exposure to students, lack of internship programs.

b. If so, whether the Government proposes to engage urban local bodies for providing internship for fresh engineering graduates.

No, Government do not proposes any schemes to engage urban local bodies for providing internship for fresh engineering graduates. However at NIT, Srinagar we made it mandatory for students to undergo minimum of 6 weeks of internship in industry/R &D institute. Also we make separate budget for providing registration fees of internship of students under TEQIP-III.

c. If so, the details thereof;
   NIL

d. The details of budgetary provision made for this purpose, if any?
   NIL.

With regards,

Sd/-

Q No.	QUESTIONNAIRE ON FACULTY SHORTAGE IN HIGHER EDUCATION SECTOR	
	Question	**Response**
1.	Please provide details of sanctioned, in-position, and vacant posts of Professors, Assistant Professors and Associate Professors are vacant in IITs, IIMs, IISERs, Central universities and other higher educational institutions? Please also provide details as to since when the posts have been vacant?	Total Sanctioned Posts= 198 In position= 122 Total Vacant posts= 76 Professors= 00 Associate Professors= 16 Assistant Professors= 60
2.	Please provide details of steps being taken by the department to fill the vacant posts in higher educational institutions and by when the vacancies are likely to be fulfilled?	The faculty recruitment advertisement issued in February 2020. Vacancies likely to be filled by December, 2020. (Delay because of COVID-19 Lockdown)
3.	Please provide details of initiatives taken by the department and other regulatory authorities to attract students to pursue research? How many PhD students are currently enrolled in all the higher educational institutions?	To attract students to pursue research, the Institute is providing scholarships state of the art Laboratory facilities, online access to major national and international journals e-resources and so on and so forth. Currently 433 PhD scholars are enrolled in the Institute.
4.	What is the number of women faculty members (also in terms of percentage of total posts) in IITs, IIMs, IISERs, Central universities and other higher educational institutions? What are the steps taken to increase their share in various faculty positions?	16% women faculty members
5.	What are the reasons for faculty shortage at many of the new central universities or the new IITs/IIMs/NITs? What steps are being taken by the Department to attract faculty in these higher educational institutions?	No Comments Among many others, some steps taken to attract the faculty are given as under: 1. Good infrastructure facilities. 2. Well equipped laboratory facilities for conduct of teaching and research. 3. Fairly good work environment. 4. All concession in employment as decided by the MHRD 5. Good salary package and fairly good avenues in career progression for good teachers and researchers
6.	Please provide details of initiatives taken by the Department, UGC and higher educational institutions to attract foreign faculty and Indian	N/A

	researchers from abroad?	
7.	Many of the Universities in the country are having a large number of ad-hoc faculty. How is it affecting the quality of education being imparted and what steps are being taken by the institutions/universities to make these faculty permanent after a certain years of teaching experience?	The ad-hoc faculty members are also given equal opportunities to apply for advertised vacancies.
8.	What policy is being undertaken by the department to increase the share of SC/ST/minorities and differently-abled in the faculty in higher educational institutions?	The Institute is strictly following the directions of the MHRD issued regarding implementation of reservation policy of the Government of India. The reservation rosters have been prepared and due share is being advertised for the reserved categories as per GoI instructions.
9.	Pandit Madan Mohan Malviya National Mission on Teachers and Teaching (PMMMNMTT) aims to build a strong professional cadre of teachers by addressing all the issues related to teachers, teaching, teacher preparation, professional development, curriculum design, design and development of more effective pedagogy and better assessment and evaluation methodologies. What is the current progress under this scheme? Please provide details.	Scheme is not applicable to NITs
10.	Please provide details of initiatives being taken by the department and other regulatory bodies in making the courses relevant and significant to the students as all as to the nation as a whole?	The curriculum of the courses is being regularly updated/upgraded through various academic bodies keeping in view the market and students needs and need of the nation as a whole. Eminent academicians and industry experts around the nation are being invited as members on these academic bodies for development of the curriculum with the aim that courses become relevant and significant to the students and the nation as a whole.
11.	Whether any assessment has been made as to how the COVID-2019 pandemic has impacted the higher education system in the country? Please provide details thereof.	No comprehensive assessment has been conducted by the Institute as of now. However, certainly students from the Kashmir and few backward areas of the country are facing problems in attending online classes and taking online examinations due to internet issues in these areas.
12.	Please provide details of both short-term and long-term measures contemplated to mitigate the situation arisen out of the pandemic.	The Institute is striving hard to improve infrastructure for engaging online classes.
