***Subject: Lok Sabha Unstarred Question No. 315 of 20.12.2021 reg Suicide cases in Higher Educational Institutions.***

Sir/Madam

This has reference to parliament Question No. 315 regarding above cited subject. In this regard, the required information pertaining to National Institute of Technology, Srinagar is as under:

<b><i>S.No</i></b>	<b><i>Lok Sabha unstarred Question No. 315</i></b>	<b><i>Reply</i></b>
a	The number of incidents of suicides by the students of Indian Institute of Technology (IITs), Indian Institute of Management (IIMs), Indian Institute of Science (IISCs), Central Universities and other higher educational Institutions during 2014 to 2021 and out of those who committed suicide the number of students belonging to Scheduled Castes, Scheduled Tribes, Other Backward Classes and Minorities;	Nil
b	Whether the Government has conducted any study in this regard keeping in mind the increasing number of such suicides and if so, the details thereof, and	NA
c	The measures taken by the Government to check such suicidal tendencies among students?	NIT Srinagar has a Counseling Cell in place which is looked after by Dean Students Welfare, with Medical Counselor & Student representatives as its members. Various measures undertaken by the Counseling Cell are detailed in <b>Annexure-I</b>

***With regards,***

**Sd/-  
Prof. Kaiser Bukhari  
Registrar**

**Various activities of counselling Cell: -**

**1) Teams of volunteers: -**

The students are more comfortable discussing the problem in the same age group. So teams of volunteers from the students have been formed. These volunteers are trained every 15 days to deal with the issues of students.

**2) Workshop on “How to manage stress”.**

On 20th May 2019, a workshop on "How to manage stress" organized by Counseling Cell NIT Srinagar. The workshop was conducted by the Institute Counselor Mr. Fairouz and Mr. Hussain, mental health therapist. The session was coordinated by Dr. Neeraj Gupta, Assistant Professor, Department of Electrical Engineering. The counselors started with defining stress, its causes, effect on life. Various activities were conducted like relaxation exercises, free association, mindfulness and deep breathing to relieve stress. Additionally, Mr. Shankar, head of ADANI automation, shared his life experiences and motivated students towards study.

**3) Teams of student volunteers for the new batch of students (2019):**

To help the new batch of students to cope with stress, teams of student volunteers have been set up to deal with **Academic related issues** (Low self-confidence, Decisions regarding career, Time management), **Emotional stress** (Problems related to peers, Relationships, Family Issues, Adjusting to the new environment, Homesickness, Sleep disorders, Loneliness, Anxiety).

**4) Banners displayed on campus by Counseling cell:**

Banners with phone numbers of counselors and student volunteers are displayed at various locations on the campus so that any stress-related issues can be reported and resolved.

**5) Frequent Visits to Hostel for awareness programs.**

Another initiative was taken according to the instructions given by the Honorable Director to visit Hostels of the institute with the sole aim to aware students about fundamental Mental health issues and the impact of such issues on quality of life; and also to promote open discussions on Mental health problems and positive mental wellbeing. Accordingly, visits are often paid to the hostels and students are made aware of the mental health and stress management techniques. The counseling cell and Medical Unit is working hard to provide primary health care, awareness programs and psycho-social support to Students of the institution.

**6) Motivational Talk “Engineering Happiness: Secrets of Mental Fitness for Successful Life”**

A webinar was organized by the Department of Physics in association with Counseling Cell, NIT Srinagar on “Engineering Happiness: Secrets of Mental Fitness for Successful Life” by Dr. Arun Bhardwaj, Founder & Chief Mentor | Happiness Technology on 22 September 2020.

**7) Motivational Talk series:-EMIT Talks-I**

On 21<sup>st</sup> November 2020, The Counseling Cell of the Institute has initiated a Talk Series titled “EMIT”, an acronym for “Entrepreneurs, Motivators, Innovators, Technocrats”, who will be the invitee for these talks. The first invitee of the talk was Prof. (Dr.) Navneet Arora from Mechanical Engineering Department of IIT Roorkee.

**8) Measures taken for emotional wellbeing of students during pandemic:**

Tele counseling has been done for various students during pandemic.

Subject: *Reply to Unstarred Question Dairy No. 585 to be answered on 14.9.2020*

Sir/Madam,

This has reference to Parliament Question No. 585 regarding above cited subject. In this regard, the required information pertaining to National Institute of Technology Srinagar is as under:

- a. Whether the only about 20% of engineering students get employed after coming out of colleges?

Yes, less than 20% of engineering students get employed after coming out of colleges. There are many reasons behind that i.e. lack of infrastructure at college/university, lack of industrial exposure to students, lack of internship programs.

- b. If so, whether the Government proposes to engage urban local bodies for providing internship for fresh engineering graduates.

No, Government do not proposes any schemes to engage urban local bodies for providing internship for fresh engineering graduates. However at NIT, Srinagar we made it mandatory for students to undergo minimum of 6 weeks of internship in industry/R &D institute. Also we make separate budget for providing registration fees of internship of students under TEQIP-III.

- c. If so, the details thereof;  
NIL

- d. The details of budgetary provision made for this purpose, if any?  
NIL.

<b><u>QUESTIONNAIRE ON FACULTY SHORTAGE IN HIGHER EDUCATION SECTOR</u></b>		
<b>Q No.</b>	<b>Question</b>	<b>Response</b>
1.	Please provide details of sanctioned, in-position, and vacant posts of Professors, Assistant Professors and Associate Professors are vacant in IITs, IIMs, IISERs, Central universities and other higher educational institutions? Please also provide details as to since when the posts have been vacant?	<p>Total Sanctioned Posts= 198</p> <p>In position= 122</p> <p>Total Vacant posts= 76</p> <p>Professors= 00</p> <p>Associate Professors= 16</p> <p>Assistant Professors= 60</p>
2.	Please provide details of steps being taken by the department to fill the vacant posts in higher educational institutions and by when the vacancies are likely to be fulfilled?	The faculty recruitment advertisement issued in February 2020. Vacancies likely to be filled by December, 2020. (Delay because of COVID-19 Lockdown)
3.	Please provide details of initiatives taken by the department and other regulatory authorities to attract students to pursue research? How many PhD students are currently enrolled in all the higher educational institutions?	<p>To attract students to pursue research, the Institute is providing scholarships state of the art Laboratory facilities, online access to major national and international journals e-resources and so on and so forth.</p> <p>Currently 433 PhD scholars are enrolled in the Institute.</p>
4.	What is the number of women faculty members (also in terms of percentage of total posts) in IITs, IIMs, IISERs, Central universities and other higher educational institutions? What are the steps taken to increase their share in various faculty positions?	16% women faculty members
5.	What are the reasons for faculty shortage at many of the new central universities or the new IITs/IIMs/NITs? What steps are being taken by the Department to attract faculty in these higher educational institutions?	<p>No Comments</p> <p>Among many others, some steps taken to attract the faculty are given as under:</p> <ol style="list-style-type: none"> <li>1. Good infrastructure facilities.</li> <li>2. Well equipped laboratory facilities for conduct of teaching and research.</li> <li>3. Fairly good work environment.</li> <li>4. All concession in employment as decided by the MHRD</li> <li>5. Good salary package and fairly good avenues in career progression for good teachers and researchers</li> </ol>
6.	Please provide details of initiatives taken by the Department, UGC and higher educational institutions to attract foreign faculty and Indian	N/A

*[Signature]*  
12/16/20

*[Signature]*

	researchers from abroad?	
7.	Many of the Universities in the country are having a large number of ad-hoc faculty. How is it affecting the quality of education being imparted and what steps are being taken by the institutions/universities to make these faculty permanent after a certain years of teaching experience?	The ad-hoc faculty members are also given equal opportunities to apply for advertised vacancies.
8.	What policy is being undertaken by the department to increase the share of SC/ST/minorities and differently-abled in the faculty in higher educational institutions?	The Institute is strictly following the directions of the MHRD issued regarding implementation of reservation policy of the Government of India. The reservation rosters have been prepared and due share is being advertised for the reserved categories as per GoI instructions.
9.	Pandit Madan Mohan Malviya National Mission on Teachers and Teaching (PMMMNMTT) aims to build a strong professional cadre of teachers by addressing all the issues related to teachers, teaching, teacher preparation, professional development, curriculum design, design and development of more effective pedagogy and better assessment and evaluation methodologies. What is the current progress under this scheme? Please provide details.	Scheme is not applicable to NITs
10.	Please provide details of initiatives being taken by the department and other regulatory bodies in making the courses relevant and significant to the students as all as to the nation as a whole?	The curriculum of the courses is being regularly updated/upgraded through various academic bodies keeping in view the market and students needs and need of the nation as a whole. Eminent academicians and industry experts around the nation are being invited as members on these academic bodies for development of the curriculum with the aim that courses become relevant and significant to the students and the nation as a whole.
11.	Whether any assessment has been made as to how the COVID-2019 pandemic has impacted the higher education system in the country? Please provide details thereof.	No comprehensive assessment has been conducted by the Institute as of now. However, certainly students from the Kashmir and few backward areas of the country are facing problems in attending online classes and taking online examinations due to internet issues in these areas.
12.	Please provide details of both short-term and long-term measures contemplated to mitigate the situation arisen out of the pandemic.	The Institute is striving hard to improve infrastructure for engaging online classes.

राष्ट्रीय प्रौद्योगिकी संस्थान श्रीनगर  
**NATIONAL INSTITUTE OF TECHNOLOGY SRINAGAR**  
HAZRATBAL - 190006 J&K

Prof. Rakesh Sehgal  
Director

No. NIT/DO/20/95

Dated 08.02.2020

Shri Madan Mohan,  
Additional Director General (HE),  
Ministry of Human Resource Development,  
Department of Higher Education,  
Government of India, Shastri Bhawan,  
New Delhi-110001.

Subject: Lok Sabha Starred Question No. 1379 for 10.02.2020.

Sir,

Kindly refer to e-mail dated: 06.02.2020 on the subject cited above. In this connection the information as asked for is given as under:

- a) Whether the Govt. acknowledges the high rate of unemployment in the country?  
**Yes.**
- b) The reasons for various surveys pointing towards the fact that graduates in the country are not employable  
**There are multiple reasons, some are:**
1. Due to lot of private engineering colleges which lack in quality (education and placements).
  2. There is lot of intake in colleges which raise demand supply imbalance.
  3. Recession in companies.
  4. Some engineering colleges don't take enough steps for all around development of students (industrial training, communication skills).
  5. Lack of Industry-institute interaction.
  6. Curriculum is emphasis more on theory and less in practical.
- c) Whether there are any steps being taken to increase the employability of graduates in the country, particularly engineering graduates?  
**Yes.**
- d) If so, the details thereof  
**The details of steps taken at our institute are as follows:**
1. Providing enough on campus placement opportunities to students with some off campus opportunities.
  2. Employment Training and Test
  3. Employability skill development
  4. Mock group discussion and personal interviews
  5. HR summit
  6. MoU with PSUs for providing internships to students to get industrial interface.

Thanking you,

With warm regards,

Yours sincerely,

  
(Prof. Rakesh Sehgal)
