Subject: *Rajya Sabha Admitted unstarred Question Dy. No. U891 for an answer on 21.03.2025 on Uses of Artificial Intelligence (AI) in various sectors in India.*

Sir,

This has reference to an email dated Tue, 11 Mar 2025, received from NITs Division of MoE regarding the above-cited subject. In this regard, the required information pertaining to NIT Srinagar is as under:

| S. No. | Information Sought | Reply |
|--------|--|--|
| 1. | Whether the Government has evaluated the positive and negative impact on extensive use of Artificial Intelligence (AI) in various sectors in India | The government has evaluated the impact of AI across various sectors through industry consultations, policy reviews, and international collaborations. The Ministry of Electronics and Information Technology (MeitY) and other regulatory bodies have identified both the benefits and challenges of AI adoption. |
| 2. | If so, the details thereof; | Positive Impacts: - Enhanced Efficiency: AI has improved productivity in sectors such as healthcare, agriculture, and finance. - Innovation & Economic Growth: AI-driven solutions contribute to new business models, services, and economic expansion. Negative Impacts: - Financial Stability Risks: The Reserve Bank of India (RBI) has warned about AI-driven market concentration and systemic risks in financial services. - Data Privacy Concerns: The Ministry of Finance has restricted government employees from using AI tools like ChatGPT and DeepSeek to protect sensitive information. |
| 3. | Action contemplated to mitigate the negative impact and to prevent its misuse by a controlled mechanism; | 1. Establishment of AI Safety Institute: - MeitY has launched the IndiaAI Safety Institute to set AI safety standards, detect risks, and align AI development with India's socio-cultural needs. 2. AI Readiness Assessment with UNESCO: - The Government is working with UNESCO to develop AI Readiness Assessment Methodology to ensure responsible AI |

Subject: Lok Sabha Unstarred Question No. 2590 for 17.03.2025 regarding 'Integrate Technology with Education'

Sir,

This has reference to email dated Tue, 11 Mar, 2025, received from NITs Division of MoE regarding inputs on LSUQ-2590 for 17.03.2025. In this regard, required information pertaining to NIT Srinagar is as under:

| Information sought | Reply |
|---|--|
| (a) the number of schools and colleges that have digital classrooms across the country following the initiative of the Government to integrate technology with education; | The information regarding number of schools and colleges that have digital classrooms across the country is not available with the Institute. However, NIT Srinagar follows initiative of the Government to integrate technology with education. The Institute has digital classrooms which includes interactive whiteboards/smart displays, podium, projectors, and recording facilities etc. The institute also provides high-speed internet access across the campus, including hostels and the library, which is essential for digital learning. |
| (b) whether the Government has any data regarding the availability of digital education devices (mobile phones, tablets, laptops, etc.) with school children on national level and if so, the details thereof; | The institute does not maintain specific records regarding student ownership of digital educational devices. However, it is generally recognized that students typically possess such devices. |
| (c) whether the Government has any plan to provide digital devices to those students who don't have such devices towards the aim of the Government to provide broadband connectivity for rural schools and if so, the details thereof; and | Not applicable |
| (d) whether the Government tracks the percentage of improvement in student performance and vocational training enrolments as a result of these digital initiatives under the National Education Policy (NEP) and if so, the details thereof and if not, the reasons therefor? | There have been various improvements in learning by integrating technology with education such as: Enhanced Access to Information: The internet provides a vast repository of knowledge, allowing students to explore topics beyond traditional textbooks. Increased Engagement and Motivation: |

Subject: *Lok Sabha Provisionally Admitted Unstarred Question Dy. No. 9095 for 16.12.2024-inputs regarding.*

Sir,

This has reference to email dated Tue, 10 Dec, 2024, received from NITs **Division of MoE** regarding inputs on LSUQ-9095 for 16.12.2024. In this regard, required information pertaining to NIT Srinagar is as under:

| Information sought | Reply |
|--|---|
| (a) whether the Government is aware that there is a significant shortage of teachers in higher and technical education institutions across the country including Tamil Nadu, if so, the details thereof; | Fresh faculty positions have been sanctioned in the Institute in the year 2024 on the basis of student strength and the recruitment process shall be initiated soon which shall address the shortage of teaching staff in the Institute. |
| (b) the current teacher-to-student ratio in Higher and Technical Education Institutions and the manner in which it compare to global standards; | The Student-Faculty ratio in NIT Srinagar shall be 12:1 after filling up the vacant faculty positions including 144 newly created positions in the year 2024. |
| (c) the details of the data on vacant teaching posts in central universities, IITs, NITs, and other technical institutions, State-wise and institution-wise; | 191 faculty positions are currently vacant in the Institute which includes 144 newly created faculty positions in the year 2024. The recruitment process for filling up vacancies shall be initiated once the regular Director joins the Institute. |
| (d) the manner in which the shortage of teachers has affected the quality of education and research in higher and technical education institutions; | The shortage of teachers definitely has an impact on the quality of education and research. However, the Institute compensates the shortage of faculty staff by engaging Temporary Faculty / Guest Faculty which helps to minimize the impact on quality of education and research. |
| (e) whether the teacher shortage has impacted the accreditation or ranking of institutions at the national or international level, if so, the details thereof, and | The shortage of teaching staff has an impact on the accreditation / ranking of institutions both at the national or international level as Student Faculty Ratio is a major parameter in ranking. However, engagement of Temporary Faculty minimizes the impact on ranking of Institutes. |

(f) whether the Government has introduced any incentives to attract qualified professionals to teaching positions in higher and technical education institutions, if so, the details thereof?

The Government has implemented various initiatives to attract qualified professionals to teaching positions in higher and technical education institutions. These initiatives include:

- Financial Incentives are provided to the faculty members for publication of papers etc.
- Cumulative Professional Development Allowance is provided to the faculty for research and professional development.
- The faculty have pay scales and grade pay structures, which are typically higher than those of non-academic staff.

Subject: *Provisionally Admitted Rajya Sabha Starred/Unstarred Question Diary No. S3637 for 11.12.2024 regarding Security in universities.*

Sir,

This has reference to an email dated Mon, 2 Dec 2024, received from **NITs Division of MoE** regarding the above-cited subject. In this regard, the required information pertaining to NIT Srinagar is as under:

| S. No. | Information Sought | Reply |
|--------|--|--|
| 1. | Given the increasing instances of mob violence in university campuses, what steps are being taken to keep university students safe. | Several steps have been taken at NIT Srinagar for the safety of the students, like CCTV monitoring, 24x7 security monitoring, etc. |
| 2. | Whether CCTV and other security installations are being installed. | The institute has implemented a robust CCTV surveillance system, with cameras strategically placed throughout the campus to monitor activities 24/7. |
| 3. | Whether women students are provided with hygienic facilities and security in dorms | The institute prioritizes the health and well-being of its students by maintaining high standards of hygiene in hostels and common areas. To cater to the needs of female students, vending machines have been installed in girls' hostels and washrooms across different departments. All dormitories at NIT Srinagar, for both male and female students, are equipped with 24x7 security personnel. These measures are in place to ensure a safe and secure environment for all residents. |
| 4. | Whether transport facilities to and from campuses are regular, safe and in good condition. | As NIT Srinagar is a fully residential campus, there is no regular need for transport facilities. However, the institute does provide buses for students whenever required, ensuring convenience and support for specific needs. |
| 5. | Whether hostel accommodation for male and female students is manned by 24-hour security personnel. If yes, the details thereof. If not, the reasons therefore. | All hostels on campus are guarded by security personnel who work in shifts to ensure the safety of residents at all times. The boy's hostels, which accommodate approximately 2,400 students, are secured by 11 security posts manned by 33 security personnel working in shifts around the clock. Similarly, the girls' hostel is monitored by a dedicated security post staffed by 10 female security personnel, ensuring 24x7 safety. |

Subject: Inputs/Comments for admitted Lok Sabha Unstarred Question No. 3273 regarding
Campus Recruitment to be answered on 12.08.2024 - reg.

Sir,

This has reference to email dated Wed, 07 Aug, 2024, received from NITs Division of MoE regarding above cited subject. In this regard, required information pertaining to NIT Srinagar is as under:

| Information sought | Reply |
|--|--|
| (a) whether it is a fact that only 7% of colleges in the country achieve cent percent campus placement; | <p>A significant factor that affects the overall placement percentage is the diverse career paths chosen by our students. While a portion of students opt for campus placements, others pursue higher studies, venture into entrepreneurship, or prepare for state and central public sector unit (PSU) jobs.</p> <p>To provide a clearer picture, let's look at the placement data of NIT Srinagar over the past three academic years:</p> <ul style="list-style-type: none">• In 2021, our placement rate was 75%.• In 2022, it increased to 78%.• In 2023, we achieved an 83% placement rate. <p>These figures reflect the commitment of our institution to improve placement outcomes continuously. However, it is important to note that many of our students prioritize preparing for competitive exams for government jobs or decide to continue their education, which naturally impacts the overall placement statistics.</p> |
| (b) whether it is also a fact that the top challenges for a significant percentage of recruiters are the skill gap and inability to find the right talent; | <p>As far as our past experience is concerned & the feedback received from the recruiters the skill gap and the inability to find the right talent are significant challenges for a large percentage of them. Many employers find that some of the graduates lack the necessary skills and competencies required for the job market.</p> |
| (c) whether it is also true that the skill gap and lack of preparation are major challenges in campus recruitment; and | <p>At NIT Srinagar, we recognize that the skill gap has always been a significant challenge in campus recruitment. This gap is largely due to the continuous advancements and rapid changes in technology and industrial practices. As new developments emerge daily, particularly with the integration of artificial intelligence and other cutting-edge technologies, the requirements and expectations of the industry evolve accordingly. However, lack of preparation is not concern and our students are always updating the things accordingly & with course.</p> |

(d) if so, the steps proposed to be taken by the Government to ensure maximum percentage of campus recruitment?

At NIT Srinagar, we are aligned with the government's initiatives to enhance campus recruitment rates and are actively implementing various measures to support this goal. The steps proposed by the government and the corresponding actions taken by NIT Srinagar include:

1. Curriculum Enhancement:

- Government Initiative: Updating and aligning the curriculum with current industry standards.

- NIT Srinagar Action: We have recently revised our syllabus to include the latest technological advancements and industry trends, ensuring our students are well-equipped with relevant skills. The syllabus will be implemented from admission batch of 2023

2. Industry Collaboration:

- Government Initiative: Promoting collaborations between educational institutions and industry leaders.

- NIT Srinagar Action: We have established partnerships & MOU with leading institutions & companies to provide our students with internships, workshops, and real-world project opportunities. This exposure helps students gain practical experience and enhances their employability.

3. Skill Development Programs:

- Government Initiative: Implementing skill development programs to bridge the skill gap.

- NIT Srinagar Action: We offer various training programs, soft skills workshops, and technical boot camps, employability tests to equip our students with the necessary skills demanded by the industry through 3rd party organizations

4. Placement Drives and Career Services:

At NIT Srinagar, placement drives and career services have been a cornerstone of our student support system for more than past two decades. These initiatives have played a pivotal role in helping our students secure placements across various parts of India and even internationally. Our dedicated career services team organizes regular placement drives, bringing a diverse range of companies to our campus. We offer comprehensive support including resume building, interview preparation, career counselling, and soft skills workshops. This holistic approach ensures our students are well-prepared and confident, significantly enhancing their employability.

5. Encouraging Entrepreneurship:

- Government Initiative: Supporting students who aspire to start their own businesses.

- NIT Srinagar Action: We have an active The Innovation, Incubation & Entrepreneur development centre that encourages and supports students in their

Subject: Inputs on LSUSQ 7208: “Step taken by Government to address the issue of Brain Drain”
to be answered on 12 August 2024

Sir,

This has reference to email dated Mon, 05 Aug, 2024, received from NITs Division of MoE regarding LSUSQ 7208: “Step taken by Government to address the issue of Brain Drain” to be answered on 12 August 2024. In this regard, required information pertaining to NIT Srinagar is as under:

| Information sought | Reply |
|--|--|
| (a) whether the issue of brain drain is increasing in the country; | Data not available with the Institute |
| (b) if so, the details thereof; | Not Applicable |
| (c) whether the Government has taken any steps to get rid of this issue in the future; | The Country is developing at a good rate, the employment opportunities with better return/remuneration have increased manifold. The Government has prioritized the establishment of advanced industries as per the global market demand like FABS for Semiconductor Micro-Chips etc in the Country. These initiatives are expected to reverse the brain drain by attracting Indian nationals who have been working in the foreign countries. |
| (d) if so, the details thereof; | |
| (e) whether brain drain leads to shortage of intellectual caliber in the country; and | The issue of brain drain may lead to shortage of intellectual caliber in the Country. The Government in addition to measures mentioned above strives to better the quality of technical/professional institutions in the Country so that foreign students are attracted to study in India as envisaged in NEP-2020. |
| (f) if so, the steps taken by the Government to improve this scenario? | |

Subject: Inputs for Admitted Rajya Sabha Unstarred Question No. 1790 (attached) to be answered on 07.08.2024 regarding "Impact of Artificial Intelligence on Higher Education"

Sir,

This has reference to email dated Mon, 05 Aug, 2024, received from NITs Division of MoE regarding above cited subject. In this regard, required information pertaining to NIT Srinagar is as under:

| Information sought | Reply |
|---|--|
| (a) whether Government has made attempts to address the concerns of increasing involvement of AI-based softwares like ChatGPT in Higher Education (b) if so, the details thereof; and, if not, the reasons thereof and | While there isn't a specific, direct Government intervention targeting AI-based tools like ChatGPT in Higher Education yet, the Government's approach to AI and education is evolving. Key Government Initiatives are hereunder: <ol style="list-style-type: none">1. National Education Policy (NEP) 2020: This policy emphasizes the integration of technology, including AI, into the education system. The goal is to equip students with the skills needed for the digital age.2. National Digital Education Architecture (NDEA): This initiative aims to provide digital infrastructure and digital content to all educational institutions. While primarily focused on infrastructure, it indirectly supports the integration of AI tools in education.3. National Strategy for Artificial Intelligence (NSAI): While focused on broader AI development, the NSAI recognizes education as a key area for AI application. It envisions AI as a tool for personalized learning, intelligent tutoring systems, and more.4. Digital India: This larger government initiative promotes digital literacy and access to technology. It creates a conducive environment for AI integration in various sectors, including education. |
| (c) whether there is a need for a policy framework to regulate use of Artificial Intelligence in Education sector? | The rapid advancement and increasing adoption of AI tools like ChatGPT have introduced both immense potential and significant challenges in education. A robust policy framework is needed to harness the benefits of AI while mitigating its risks. |

Subject: *Rajya sabha Provisionally Admitted Unstarred Question Dy. No. 1708 to be answered on 02.08.2024 on "Artificial Intelligence"- regarding*

Sir,

This has reference to an email dated Wednesday, July 24, 2024, received from NITs Division of MoE regarding the above-cited subject. In this regard, the required information pertaining to NIT Srinagar is as under:

| S.No. | Information Sought | Reply |
|-------|---|--|
| 1. | Whether the Government is aware that the future workforce is equipped with the knowledge in the area of Artificial Intelligence that is imperative for the growth of the country? | Yes, the government is aware of the need to equip the future workforce with AI knowledge for the country's growth. The goal of programs like Intel and CBSE's AI for All initiative and MeitY and NASSCOM's Future Skills PRIME program is to include AI education into professional training and educational settings. Faculty development and AI skill upgrading are offered by AICTE's ATAL Academies and the Skill India Mission. Advanced AI research and teaching are the main foci of centres of excellence at universities like IITs and IISc. Practical AI courses and certifications are made available through partnerships with major players in the sector, such as Google and IBM. Free online AI courses are offered by platforms like Swayam give India access to world-class knowledge. |
| 2. | The details of the funds allocated, released and utilized under various schemes for promoting Artificial Intelligence during the last three years, year-wise, State/UT-wise? | Not applicable |
| 3. | The steps taken by the Government to impart the knowledge of Artificial Intelligence to the youth of the country? | Artificial Intelligence, Machine Learning, and Deep Learning are among the specialist courses that the Department of Computer Science and Engineering (CSE) at NIT Srinagar has added to the B.Tech, M.Tech, and Ph.D. curricula to improve AI education. In addition to offering academic training, the department gives students practical experience in hands-on labs on AI. These lab classes also foster creativity and research. Through mentoring, the department's staff and experts encourage students to engage on projects that advance their practical AI knowledge and skills. |

Subject: *Rajya Sabha Admitted Question Dy. No. s2644 for answer on 02.08.2024 on Government Plans for AI adoption and Development in Our Country*

Sir,

This has reference to an email dated Thu, Jul 25, 2024, received from NITs **Division of MoE** regarding the above-cited subject. In this regard, the required information pertaining to NIT Srinagar is as under:

| S.No. | Information Sought | Reply |
|-------|---|--|
| 1. | Whether the government is considering encouraging public-private participation through transparent schemes to encourage AI adoption in our country, and if so, the details thereof; | Yes, the government is promoting public-private participation in AI through transparent schemes. Important programs include funding for collaborative AI projects, Public-Private Partnerships (PPPs) under the National AI Mission, and the National AI Portal for collaboration. Grants and financial incentives help startups and commercial businesses that work with governmental entities. Furthermore, cooperative research projects such as the AI Research Park at IISc Bangalore serve as excellent examples of these collaborations. |
| 2. | Whether the government is considering strengthening AI research through the establishment of dedicated AI innovation centers, academic institutions, and startup ecosystems, and if so, the details thereof | Not Applicable |
| 3. | Whether the government is considering tax incentives for firms investing heavily in AI research and development, and if so, the details thereof | Not Applicable |
| 4. | The measures taken by the government to strengthen AI infrastructure, such as high-end hardware and software? | CRFC, NIT Srinagar has received approval to install high-performance computing (HPC) systems. The goal of this approval, which was given by the NIT Srinagar Board of Governors (BoG), is to improve the AI infrastructure inside the department. Advanced computational capacity required for intricate AI research and data processing will be made available by the HPC systems. The procurement and upkeep of these advanced equipment are guaranteed by the significant resources the government has provided to assist this project. This improvement would greatly expand the Institute's capacity for AI and machine learning research, enabling innovative initiatives and promoting academic excellence especially in the Department of CSE. |

Subject: *Rajya sabha Provisionally Admitted Question No. 981 on 31.07.2024 to be answered on 31.07.2024 regarding "Linking Educational Institutions with Industry and Research Institutions"*

Sir,

This has reference to an email dated Wednesday, July 24, 2024, received from NITs Division of MoE regarding the above-cited subject. In this regard, the required information pertaining to NIT Srinagar is as under:

| S.No. | Information Sought | Reply |
|-------|---|---|
| 1. | whether the Institute has taken any steps to link educational institutions with industry and research institutions; (b) if so, the details thereof and outline the steps taken by the Institute in this regard; and (c) if not, the reasons therefor? | NIT Srinagar has been actively involved in industry and research activities for many years. The following projects have been undertaken with local and national Industries: i) Under the MoMSME design Expertise scheme, the institute has been selected as an implementing agency (IA) in 2021, actively involved in resolving industry design problems. Local manufacturing industries such as Jupiton Geyser Manufacturing Pvt Ltd, M/S K K Environment Solutions, and many industries located in the Industrial estates of Lassipora, Bagh-a-Ali Mardhan Khan, and Khanmou have been working in collaboration with NIT students and faculty. ii) Under Technology Information Forecasting Assessment (TIFA) DST, NIT Srinagar has undertaken projects with Industries such as Paper Machi, Cricket bat Manufacturing, and Wicker Willow to identify the technological gaps and recommend solutions. Two studies in Industrial clusters of cricket bat and Willow Wicker have been completed, and many more will be undertaken shortly. The projects are sponsored by TIFAC and DST, and Dr Saad Parvez, Associate Professor of the Mechanical Engineering department, is the principal investigator of the scheme, iii) Under the MSME Incubation Scheme, NIT Srinagar is also helping local manufacturers and service sectors in idea incubation relating to their interests. Three projects relating to Agriculture and tourism Industry have been successfully undertaken with financial and technical support from the Institute. The institute has developed unique machines such as a saffron processing machine, seed sown machine, walnut washing machine, and dehulling machine, which will be commercialized soon. |

|--|--|--|
| | | <p>Dr. Saad Parvez is the chairman of these MSME projects and has conceptualized the ideas.</p> <p>iv) NIT Srinagar has been actively involved in many research projects on local industries, including the handloom industry, to design and develop looms to revive the carpet industry. JKSTI&C has sponsored the projects.</p> <p>v) Research for Maruti Udyog Limited, Gurgaon, was completed by Dr Saad Parvez as his Research work. The project title was Building Taxonomy for Establishing Strategic Partnership with Original Equipment Manufacturers in an automobile manufacturing firm. The research was conducted to help Maruti Udyog obtain better performance from their OEMs to enhance the productivity and quality of manufactured cars.</p> <p>vi) NIT Srinagar has also established the Greenovator Incubation Foundation (section-8 company) as an Incubation center where industrial and business ideas are incubated. This incubator has been established under the NIDHI DST Scheme. Dr Saad Parvez is the principal investigator for the project. Startups relating to Tourism, Drone technology, Sustainable energy, etc, are currently being incubated.</p> <p>vii) Apart from the points mentioned above, Dr Saad Parvez, PhD in Industrial Engineering, has undertaken many industrial projects for B.Tech and M.Tech students for enhancing Productivity, Cost reduction, Effective and efficient utilization of resources, and design of men-machine systems. Currently, research on Industry 4.0 is also being carried out under his guidance to prepare the MSMEs of J&K to adopt the I4.0 technologies.</p> |

Subject: Rajya Sabha Starred Question No. 94 for 31.07.2024 regarding Professor of Practice

Sir,

This has reference to email dated Thu, 25 Jul, 2024, received from NITs **Division of MoE** regarding above cited subject. In this regard, required information pertaining to NIT Srinagar is as under:

| Information sought | Reply |
|---|--|
| (a) whether reservation policy is applicable for engagements as “Professors of Practice” in the higher educational institutions recently introduced by UGC as per National Education Policy 2020; | Not applicable as per the Reservation in Teachers Cadre Act 2019. Reservation is applicable to following cadre posts: 1. Professor 2. Associate Professor 3. Assistant Professor (Grade-I, Level-12) 4. Assistant Professor (Grade-II, Level-10) |
| (b) if not, the reasons therefor; | Not included in Reservation in Teachers Cadre Act 2019 |
| (c) the number of persons belonging to SC, ST and OBC categories engaged as “Professors of Practice” till date or still being engaged in various higher educational institutions; and | Not applicable |
| (d) the State-wise details thereof? | Not applicable |

With regards,

Sd/-

Subject: *Inputs regarding LS STARRED QUESTION NO. 84 regarding "Students migration to foreign countries" for answer on 29.07.2024*

Sir,

This has reference to an email dated Wed, Jul 24, 2024, received from NITs Division of MoE regarding the above-cited subject. In this regard, the required information pertaining to NIT Srinagar is as under:

| S.No. | Information Sought | Reply |
|-------|---|--|
| 1. | Whether it is true that India is the world's second-largest student sending country after China with the number of Indian students abroad having increased four times in the last 14 years and if so, the details thereof; | Data not available with the Institute. |
| 2. | The number of students migrated to foreign countries for education since the last ten years, State-wise; | Data not available with the Institute. |
| 3. | Whether the Government ascertained the longstanding impact on students' migration of such magnitude has become a major source of capital and brain drain for India while hugely benefitting the economies of the advanced countries and if so, the details thereof; | Not Applicable |
| 4. | Whether the Government had any study behind the reasons of large-scale student migration; if so, the details thereof and steps taken to check such large-scale migration of students; and | Not Applicable |
| 5. | Whether the Government has made any attempt to understand the drivers of increasing emigration of Kerala students for higher education abroad? | Not Applicable |

With regards,

Sd/-

All Professor/ Associate Professor are appointed prior to the notification/implementation of the Central Education Institutions (Reservation in Teachers' Cadre) Act, 2019 in 2019 vide BoG agenda item No. 60.05 held on 07.12.2019 and hence cannot be put in any category such as ST, SC, EWS, PwD etc. Vacant Positions in the post of Professor and Associate Professor arising after 2019, has been considered for applicable reservation as per Gol norms.

EWS vacancies were calculated only based on vacancies from the year 2019 onwards.

In case of PwD the 4% of sanction posts earmarked under Horizontal Reservation , which may fall under any category (Gen/SC/ST/OBC/EWS) as per the Reservation norms of Govt. of India

"All Professors and Associate Professors were appointed before the Central Educational Institutions (Reservation in Teachers' Cadre) Act, 2019 was implemented, and therefore cannot be categorized as ST, SC, EWS, PwD, etc. Any vacant positions for the post of Professor and Associate Professor that have arisen since 2019 will be subject to applicable reservation as per Government of India norms.

Annexure A

| S. No | Matter | ICC Report Date | Action Taken |
|-------|---|-----------------|--|
| 1 | Ms. Sriya (Student) vs Raees Hamid (Temporary Faculty) | 17-05-2019 | Alleged Faculty Member was terminated with immediate effect. |
| 2 | Dr. Neyaz Ahmad Sheikh Vs Dr. Zamrooda Jabeen (Both Permanent Faculty Members) | 06-02-2020 | Alleged faculty member was removed as HoD of the department. |
| 3 | Iqra Akhbar (Temporary Faculty) Vs Dr. Faisal Qayoom (Permanent Faculty Member) | 12-03-2020 | Allegations made by the complainant were found baseless and not on merit. Hence, no action was taken. |
| 4 | Dr. Kowsar Majid Vs Dr. Tanweer Jalal (Both Permanent Faculty Members) | 26-05-2021 | Dr. Tanweer Jalal apologised and accepted his mistake and both parties settled. |
| 5 | Marya Andleeb (Student) Vs Dr. Farhad Illahi (Permanent Faculty Member) | 26-07-2021 | The committee could not establish the facts as such the committee arrived at the conclusion that the charges against Faculty are baseless. |
| 6 | Nimaan Imtiyaz Vs Arif Shah (Both Research Scholars) | 12-12-2022 | Sexual Harassment was not established. However, the respondent being ex Research scholar of the Institute, has been kept out of the bounds of campus owing to his rude behaviour. |
| 7 | Aparna Kashayp Vs Arpit Anand & Others (All Students) | 03-05-2023 | The respondent faced academic debarment from the Institute for the spring semester of 2023. However, due to the sustained repetition of the same behaviour, the respondent is currently under debarment from the Institute for a duration of one year. |
| 8 | Sonam Sharma Vs Abhinna Kumar (Students) | 25-05-2023 | Warning was served to all to refrain from online bullying of their fellow students. Further, one unofficial WhatsApp group was instructed to be deleted with immediate effect. |
| 9 | Safoora Shabir Vs Sumit Kumar (Both Research Scholars) | 16-11-2023 | Two preliminary meetings have been conducted, and the case is under process. |
| 10 | Sadaf Rauf (Student) Vs Dr. Nasir Fareed Butt (Permanent Faculty Member) | 22-11-2023 | The respondent Faculty Member is being served a formal warning to refrain from indulging unprofessional behaviour towards women. |

Subject: Admitted Lok Sabha Question No. 2954 for 07-08-2023 regarding "Achievement of NEP, 2020"

Sir,

This has reference to email dated Thu, 03 Aug, 2023, received from NITs Division of MoE regarding above cited subject. In this regard, required information pertaining to NIT Srinagar is as under:

| Information Sought | Reply |
|--|------------|
| a) The details of the significant achievements made after the announcement of NEP 2020 for the past 3 years; | Annexure-I |
| b) Whether the expected raise in investment in public education system substantially through private partnership under NEP, 2020 is realised during the past three years and if so, the details thereof; | NA |
| c) The details of the increased participation of global Universities and research institutes through partnership and also on single institute/entity basis; and | NA |
| d) Whether high performing Indian Universities are setting up their campuses in other countries and whether Universities from top 100 foreign Universities in the world are setting up their campuses in India as envisaged in NEP, 2020 and if so, the details thereof? | NA |

With regards,

Sd/-
REGISTRAR

The details of the significant achievements made after the announcement of NEP 2020 for the past 3 years;

Following achievements have been made:

1. Adoption of Multiple exit policy for B.Tech. and M.Tech. programmes

(a). Multiple Exit Policy: B.Tech. Programme (4 Year Duration)

NIT Srinagar has adopted an exit policy with three intermediate exit points during the B.Tech. programme, as shown below.

| Exit Level | Minimum Requirement | Nomenclature of certification |
|-------------------|--|---|
| Certificate | Successfully earned at least 40% credits. | Certificate in _____ e.g., Certificate in Civil Engineering |
| Diploma | Successfully earned at least 55% credits. | Diploma in _____ e.g., Diploma in Mechanical Engineering |
| Advance Diploma | Successfully earned at least 70% credits. | Advance Diploma in _____ e.g., Advance Diploma in Chemical Engineering |

A student can have a maximum of two exits during the entire programme obviously rejoining with a gap (not less than two academic semesters) after each exit. If a candidate wants to rejoin within a gap of less than two academic semesters he/ she has to surrender the already issued certificate/ Diploma. The maximum duration for completing B.Tech. programme including the gap between exit and rejoining should not be more than 8 (Eight) years.

(b). Multiple Exit Policy : M.Tech./ M.Sc. Programme (2 Year Duration):

A single intermediate exit point as shown below has been adopted by NIT Srinagar. Also the maximum duration of completion of programme should be 5 years for the students who have taken an intermediate exit and rejoined for acquiring the substantive M.Tech./M.Sc. degree.

| Exit Level | Minimum Requirement | Nomenclature of certification |
|-----------------------|--|---|
| Post-Graduate Diploma | Successfully earned credits more than 50% but less than 100%. | PG Diploma in _____ e.g., PG Diploma in Structural Engineering |

2. Creation of Academic bank of credits (ABC) in NAD (National Academic Depository)

From 2022 B.Tech. admission batch the students are being registered on ABC and their ABC IDs have been generated. For previous batches the degree certificates of B.Tech pass out batches of 2018,2019 and 2020 have been uploaded in NAD.

3. Accessibility

Most of the infrastructure (buildings, etc.) at the Institute has been made friendly for differently abled persons by way of provision of ramps and lifts.

4. Ph.D. Regulations

The Institute has adopted Ph.D. regulations which are in tune with NEP-2020. Direct Ph.D. after bachelors' degree has been introduced. Ph.D. for self financed candidates has been introduced.

5. Environmental Education

A core course on Environmental Studies has been introduced at first year B.Tech. level to enhance environmental awareness and sensitivity towards its conservation and sustainable development.

6. Online Courses for B Tech (at present 10 credits)

The students are required to opt for online courses like SWAYAM, NPTEL, etc. amounting to a maximum of 10 credits during their B.Tech. programme.

7. ERP based Governance

The Institute is using Enterprise Resource Planning softwares (ERP) for management of students from admission to award of degree. Recently from Autumn-2022 session the Institute has adopted the SAMARTH for mangement of academic progression of students. For earlier batches a different ERP was in place.

8. MOUs with Industry

The Institute has signed MOUs with following Industries:

- (i). Maruti Udyog Limited.
- (ii). National Highway Authority of India.
- (iii). Jammu and Kashmir Lake Conservation and Management Authority.
- (iv). Ministry of MSME Govt. of India. Through this Institute has liaison with many medium, small and micro industries.
- (v). Electronics Sector Skills Council of India (ESSCI)
- (vi). SAP Automations India Pvt. Ltd., New Delhi.
- (vii). Jani-IEF Entrepreneurship Foundation

9. Academic Collaboration with Indian and Foreign Higher Education Institutions

The Institute has academic and research collaboration with following foreign and national Institutes.

- (i). Russian Academy of Sciences.
- (ii). Texas University
- (iii). ESES Kentucky University, USA.
- (iv). Babol Noshirvani University of Technology (BNUT), Iran
- (v). SFAX University, Tunis.

- (vi). Tashkent University.
- (vii). Indian Institute of Technology, Delhi.
- (viii). Indian Institute of Technology, Hyderabad
- (ix). Indian Institute of Technology, Jammu.

10. Innovation, Incubation and Entrepreneurship Development Centre (IIEDC)

The IIEDC has been established to provide technical as well as financial assistance to the students' startups, idea generators, and grass roots innovators. The centre is committed to offer meaningful and impactful assistance to the startup ecosystem of the UT of Jammu and Kashmir.

IIED centre is presently carrying various activities like skill development, entrepreneurship support, incubation of ideas, development of grass root technologies, and so forth.

The IIEDC has a tinkering lab where youngsters can experiment with new ideas.

11. Smart India Hackathon (SIH):

NIT Srinagar is a member of the Smart India Hackathon (SIH) and has obtained a 3.5 * rating.

12. Creation of supportive learning environment by providing suitable resources and infrastructure

NIT Srinagar is constantly trying to enhance the student support facilities and upgrading the resources and infrastructure to improve the learning environment. The following student facilities are worth mentioning.

- (i) Upgradation of Classrooms by way of upgradation and conversion into smart classrooms.
- (ii) Augmenting the seating capacity of Girls Hostel by 120.
- (iii) Augmenting the seating capacity of Boys Hostel by 1000 through construction of Mega Hostel (Under Construction).

ANNEXURE-II

Question: The manner in which the impediments in the selection process of students are being removed by these private institutions, company-wise.

NIT Srinagar takes various measures to remove impediments in the selection process of students, company wise. Here are the few steps that our institution takes:

1. **Providing Career Guidance and Skill Development:** We provide career guidance and skill development programs to students from the beginning of their academic journey. This helps students understand their strengths and weaknesses, and choose a career path that suits their interests and skills. Also, it helps them develop the required skills and competencies that companies are looking for.
2. **Offering Internships and Industry Collaborations:** We have established partnerships and collaborations with industries to provide students with practical exposure and work experience. This helps students understand the real-world challenges and requirements of the industry. It also helps companies identify talented students and groom them for future employment.
3. **Conducting Campus Recruitment Drives:** We invite companies to conduct campus recruitment drives and interact with students. This helps companies understand the quality of education and the skill level of students. It also helps students interact with recruiters, understand the job requirements, and prepare accordingly.
4. **Ensuring Transparent and Fair Selection Process:** We ensure a transparent and fair selection process for companies. This helps companies identify talented students and offer them job opportunities. It also helps students understand the criteria for selection and prepare accordingly.
5. **Providing Career Counselling and Support:** We provide career counselling and support to students who do not get placed immediately after graduation. This helps them understand their shortcomings and work on improving their skills. It also helps them explore alternative career options and make informed decisions.

Question: Other reformatory measures being taken by Government in the field of education and employment considering the bright future of students.

Some of the reformatory measures taken by NIT Srinagar to improve education and employment opportunities for students:

1. Curriculum redesign: We have redesigned our curriculum to make it more relevant and practical. We have incorporated industry-relevant skills and knowledge, new technologies, and emerging trends to equip students with the skills they need to succeed in the workforce.
2. Industry partnerships: We have forged partnerships with industry players to provide students with opportunities for internships, co-op placements, and other forms of experiential learning. This enables students to apply what they learn in class to real-world problems and get a taste of what it's like to work in the industry.
3. Career guidance and counselling: We offer career guidance and counselling services to students to help them make informed career choices. This includes information on job prospects, salary expectations, and the skills and qualifications required for different positions.
4. Soft skills development: We offer courses and workshops on soft skills development, such as communication, teamwork, leadership, and problem-solving. These skills are highly valued by employers and can give students a competitive edge in the job market.
5. Research and innovation: We encourage research and innovation by providing students with opportunities to work on cutting-edge projects and collaborate with faculty members on research initiatives. This enables students to develop critical thinking skills and foster creativity and innovation.

Overall, NIT Srinagar is agile and adaptive in its approach to education and employment to ensure that students are well-prepared for the future work-place. By taking reformative measures like those listed above, we help students achieve their career goals and contribute to the growth and development of the nation.

Subject: Lok Sabha Unstarred Question No. 315 of 20.12.2021 reg Suicide cases in Higher Educational Institutions.

Sir/Madam

This has reference to parliament Question No. 315 regarding above cited subject. In this regard, the required information pertaining to National Institute of Technology, Srinagar is as under:

| <i>S.No</i> | <i>Lok Sabha unstarred Question No. 315</i> | <i>Reply</i> |
|--------------------|--|---|
| a | The number of incidents of suicides by the students of Indian Institute of Technology (IITs), Indian Institute of Management (IIMs), Indian Institute of Science (IISCs), Central Universities and other higher educational Institutions during 2014 to 2021 and out of those who committed suicide the number of students belonging to Scheduled Castes, Scheduled Tribes, Other Backward Classes and Minorities; | Nil |
| b | Whether the Government has conducted any study in this regard keeping in mind the increasing number of such suicides and if so, the details thereof, and | NA |
| c | The measures taken by the Government to check such suicidal tendencies among students? | NIT Srinagar has a Counseling Cell in place which is looked after by Dean Students Welfare, with Medical Counselor & Student representatives as its members. Various measures undertaken by the Counseling Cell are detailed in Annexure-I |

With regards,

**Sd/-
Prof. Kaiser Bukhari
Registrar**

Various activities of counselling Cell: -

1) Teams of volunteers: -

The students are more comfortable discussing the problem in the same age group. So teams of volunteers from the students have been formed. These volunteers are trained every 15 days to deal with the issues of students.

2) Workshop on “How to manage stress”.

On 20th May 2019, a workshop on "How to manage stress" organized by Counseling Cell NIT Srinagar. The workshop was conducted by the Institute Counselor Mr. Fairouz and Mr. Hussain, mental health therapist. The session was coordinated by Dr. Neeraj Gupta, Assistant Professor, Department of Electrical Engineering. The counselors started with defining stress, its causes, effect on life. Various activities were conducted like relaxation exercises, free association, mindfulness and deep breathing to relieve stress. Additionally, Mr. Shankar, head of ADANI automation, shared his life experiences and motivated students towards study.

3) Teams of student volunteers for the new batch of students (2019):

To help the new batch of students to cope with stress, teams of student volunteers have been set up to deal with **Academic related issues** (Low self-confidence, Decisions regarding career, Time management), **Emotional stress** (Problems related to peers, Relationships, Family Issues, Adjusting to the new environment, Homesickness, Sleep disorders, Loneliness, Anxiety).

4) Banners displayed on campus by Counseling cell:

Banners with phone numbers of counselors and student volunteers are displayed at various locations on the campus so that any stress-related issues can be reported and resolved.

5) Frequent Visits to Hostel for awareness programs.

Another initiative was taken according to the instructions given by the Honorable Director to visit Hostels of the institute with the sole aim to aware students about fundamental Mental health issues and the impact of such issues on quality of life; and also to promote open discussions on Mental health problems and positive mental wellbeing. Accordingly, visits are often paid to the hostels and students are made aware of the mental health and stress management techniques. The counseling cell and Medical Unit is working hard to provide primary health care, awareness programs and psycho-social support to Students of the institution.

6) Motivational Talk “Engineering Happiness: Secrets of Mental Fitness for Successful Life”

A webinar was organized by the Department of Physics in association with Counseling Cell, NIT Srinagar on “Engineering Happiness: Secrets of Mental Fitness for Successful Life” by Dr. Arun Bhardwaj, Founder & Chief Mentor | Happiness Technology on 22 September 2020.

7) Motivational Talk series:-EMIT Talks-I

On 21st November 2020, The Counseling Cell of the Institute has initiated a Talk Series titled “EMIT”, an acronym for “Entrepreneurs, Motivators, Innovators, Technocrats”, who will be the invitee for these talks. The first invitee of the talk was Prof. (Dr.) Navneet Arora from Mechanical Engineering Department of IIT Roorkee.

8) Measures taken for emotional wellbeing of students during pandemic:

Tele counseling has been done for various students during pandemic.

Subject: *Reply to Unstarred Question Dairy No. 585 to be answered on 14.9.2020*

Sir/Madam,

This has reference to Parliament Question No. 585 regarding above cited subject. In this regard, the required information pertaining to National Institute of Technology Srinagar is as under:

- a. Whether the only about 20% of engineering students get employed after coming out of colleges?

Yes, less than 20% of engineering students get employed after coming out of colleges. There are many reasons behind that i.e. lack of infrastructure at college/university, lack of industrial exposure to students, lack of internship programs.

- b. If so, whether the Government proposes to engage urban local bodies for providing internship for fresh engineering graduates.

No, Government do not proposes any schemes to engage urban local bodies for providing internship for fresh engineering graduates. However at NIT, Srinagar we made it mandatory for students to undergo minimum of 6 weeks of internship in industry/R &D institute. Also we make separate budget for providing registration fees of internship of students under TEQIP-III.

- c. If so, the details thereof;
NIL

- d. The details of budgetary provision made for this purpose, if any?
NIL.

With regards,

Sd/-

| <u>QUESTIONNAIRE ON FACULTY SHORTAGE IN HIGHER EDUCATION SECTOR</u> | | |
|--|---|---|
| Q No. | Question | Response |
| 1. | Please provide details of sanctioned, in-position, and vacant posts of Professors, Assistant Professors and Associate Professors are vacant in IITs, IIMs, IISERs, Central universities and other higher educational institutions? Please also provide details as to since when the posts have been vacant? | Total Sanctioned Posts= 198 In position= 122 Total Vacant posts= 76 Professors= 00 Associate Professors= 16 Assistant Professors= 60 |
| 2. | Please provide details of steps being taken by the department to fill the vacant posts in higher educational institutions and by when the vacancies are likely to be fulfilled? | The faculty recruitment advertisement issued in February 2020. Vacancies likely to be filled by December, 2020. (Delay because of COVID-19 Lockdown) |
| 3. | Please provide details of initiatives taken by the department and other regulatory authorities to attract students to pursue research? How many PhD students are currently enrolled in all the higher educational institutions? | To attract students to pursue research, the Institute is providing scholarships state of the art Laboratory facilities, online access to major national and international journals e-resources and so on and so forth. Currently 433 PhD scholars are enrolled in the Institute. |
| 4. | What is the number of women faculty members (also in terms of percentage of total posts) in IITs, IIMs, IISERs, Central universities and other higher educational institutions? What are the steps taken to increase their share in various faculty positions? | 16% women faculty members |
| 5. | What are the reasons for faculty shortage at many of the new central universities or the new IITs/IIMs/NITs? What steps are being taken by the Department to attract faculty in these higher educational institutions? | No Comments Among many others, some steps taken to attract the faculty are given as under: 1. Good infrastructure facilities. 2. Well equipped laboratory facilities for conduct of teaching and research. 3. Fairly good work environment. 4. All concession in employment as decided by the MHRD 5. Good salary package and fairly good avenues in career progression for good teachers and researchers |
| 6. | Please provide details of initiatives taken by the Department, UGC and higher educational institutions to attract foreign faculty and Indian | N/A |

| | | |
|-----|---|---|
| | researchers from abroad? | |
| 7. | Many of the Universities in the country are having a large number of ad-hoc faculty. How is it affecting the quality of education being imparted and what steps are being taken by the institutions/universities to make these faculty permanent after a certain years of teaching experience? | The ad-hoc faculty members are also given equal opportunities to apply for advertised vacancies. |
| 8. | What policy is being undertaken by the department to increase the share of SC/ST/minorities and differently-abled in the faculty in higher educational institutions? | The Institute is strictly following the directions of the MHRD issued regarding implementation of reservation policy of the Government of India. The reservation rosters have been prepared and due share is being advertised for the reserved categories as per GoI instructions. |
| 9. | Pandit Madan Mohan Malviya National Mission on Teachers and Teaching (PMMMNMTT) aims to build a strong professional cadre of teachers by addressing all the issues related to teachers, teaching, teacher preparation, professional development, curriculum design, design and development of more effective pedagogy and better assessment and evaluation methodologies. What is the current progress under this scheme? Please provide details. | Scheme is not applicable to NITs |
| 10. | Please provide details of initiatives being taken by the department and other regulatory bodies in making the courses relevant and significant to the students as all as to the nation as a whole? | The curriculum of the courses is being regularly updated/upgraded through various academic bodies keeping in view the market and students needs and need of the nation as a whole. Eminent academicians and industry experts around the nation are being invited as members on these academic bodies for development of the curriculum with the aim that courses become relevant and significant to the students and the nation as a whole. |
| 11. | Whether any assessment has been made as to how the COVID-2019 pandemic has impacted the higher education system in the country? Please provide details thereof. | No comprehensive assessment has been conducted by the Institute as of now. However, certainly students from the Kashmir and few backward areas of the country are facing problems in attending online classes and taking online examinations due to internet issues in these areas. |
| 12. | Please provide details of both short-term and long-term measures contemplated to mitigate the situation arisen out of the pandemic. | The Institute is striving hard to improve infrastructure for engaging online classes. |

राष्ट्रीय प्रौद्योगिकी संस्थान श्रीनगर
NATIONAL INSTITUTE OF TECHNOLOGY SRINAGAR
HAZRATBAL - 190006 J&K

Prof. Rakesh Sehgal
Director

No. NIT/DO/20/95

Dated 08.02.2020

Shri Madan Mohan,
Additional Director General (HE),
Ministry of Human Resource Development,
Department of Higher Education,
Government of India, Shastri Bhawan,
New Delhi-110001.

Subject: Lok Sabha Starred Question No. 1379 for 10.02.2020.

Sir,

Kindly refer to e-mail dated: 06.02.2020 on the subject cited above. In this connection the information as asked for is given as under:

- a) Whether the Govt. acknowledges the high rate of unemployment in the country?
Yes.
- b) The reasons for various surveys pointing towards the fact that graduates in the country are not employable
There are multiple reasons, some are:
1. Due to lot of private engineering colleges which lack in quality (education and placements).
 2. There is lot of intake in colleges which raise demand supply imbalance.
 3. Recession in companies.
 4. Some engineering colleges don't take enough steps for all around development of students (industrial training, communication skills).
 5. Lack of Industry-institute interaction.
 6. Curriculum is emphasis more on theory and less in practical.
- c) Whether there are any steps being taken to increase the employability of graduates in the country, particularly engineering graduates?
Yes.
- d) If so, the details thereof
The details of steps taken at our institute are as follows:
1. Providing enough on campus placement opportunities to students with some off campus opportunities.
 2. Employment Training and Test
 3. Employability skill development
 4. Mock group discussion and personal interviews
 5. HR summit
 6. MoU with PSUs for providing internships to students to get industrial interface.

Thanking you,

With warm regards,

Yours sincerely,

(Prof. Rakesh Sehgal)
