## National Institute of Technology Srinagar SANGAM 2.0 (W)

**On 8th March 2026 in Hybrid Mode**

**Women's Science Conclave (WSC-2026):** On the occasion of International Women's Day (IWD) 2026, the National Institute of Technology Srinagar is pleased to announce SANGAM 2.0 (W)—a special conclave dedicated to honouring and celebrating the remarkable achievements of women associated with our institute, directly or indirectly.

This exclusive summit, designed primarily for female alumni, will also warmly welcome all REC/NITians who wish to join in celebrating the spirit and strength of women in science and society. The event aims to highlight the outstanding contributions of women in science, engineering, technology, economy, environmental sustainability, and other emerging domains of innovation and entrepreneurship shaping our collective future.

**WSC-2026**—an extension of SANGAM—will serve as a dynamic platform for inspiration, dialogue, networking, reminiscence, and reflection of our Alumni particularly female Alumni. It is a space where stories of leadership, resilience, and innovation can ignite new pathways of growth for our students. The conclave is an opportunity to honour women who have carried the institute's legacy forward with excellence, and to inspire the next generation through their journeys across diverse fields of life and work.

We warmly invite all alumni—along with their families, children, and their grandchildren—to join us at NIT Srinagar on **8th March 2026**, a day that resonates globally as the celebration of women's achievements. Nonetheless, it is open to all. Let us come together to celebrate, to learn, and to reaffirm the spirit of giving to gain on this meaningful & auspicious occasion. It also coincides with National Science Day.
