Subject: Participation of SC Students in Need Assessment Survey on Mentorship

The Department of Social Justice and Empowerment, in collaboration with NITI Aayog, has been continuously working for the educational empowerment of students from disadvantaged sections. As part of this initiative, NITI Aayog is presently conducting a Need Assessment on Mentorship for students in Higher Educational Institutions (HEIs).

A structured questionnaire has been designed to collect responses from students belonging to disadvantaged sections, including Scheduled Castes (SC).

Accordingly, all SC students of this Institute, particularly those pursuing higher education under the Top Class Education Scholarship and National Fellowship schemes of the Department, are requested to actively participate and submit their responses through the following link on or before 30th September 2025:

 <https://forms.gle/6fvG7TLDZAEJQveP9>

Your valuable participation will contribute significantly towards strengthening mentorship support for students in higher education.

All concerned students are advised to complete the survey within the stipulated time.
