About NIT Srinagar

National Institute of Technology Srinagar is a government funded engineering and research institution of national importance. It is located in the heart of Srinagar city in the close vicinity of the historical Hazratbal shrine. It was established in 1960 as one of several Regional Engineering Colleges. It is one of the premier Educational Institutes in the Northern region of the country. The Institute acquired the status of National Institute of Technology with deemed to be University status during August, 2003 and attained full autonomy in its Academics.

About the Department

The Department of Humanities, Social Sciences & Management (HSS&M) was established in 1960, with the objectives of excellence in quality education, language, research and management. The Department is running various courses in English Communication and Management viz. MBA, MTIEM, PhD English and PhD Management. New disciplines such as Psychology, Sociology and Economics have also been incorporated in the Department adding to the academic diversity as well as interdisciplinary research environment.
