

UNNAT BHARAT ABHIYAN (UBA) NIT SRINAGAR

Hazratbal Srinagar Kashmir 190006, J&K

In compliance with orders of MHRD, NIT Srinagar initiates the process of adoption of villages in the month of May 2015. In the first instance a committee of 5 members was constituted for implementation of the scheme . The committee members are :

1. Prof M F Wani, Mechanical Engineering Department
2. Prof F A Mir , Registrar
3. Dr S. J. Iqbal, Electrical Engineering Department
4. Dr Seemin Rubab, Physics Department
5. Mr. S. A. Sofi, HOD IT Department

The committee members visited various villages in five districts and after carrying out detailed survey of some of the villages in these districts. Based on this survey five villages were adapted in five districts on the basis following criterion:

1. **Accessibility to the village**
2. **Ease in data collection**
3. **Population (OBC, St , Sc, Gen)**
4. **Sanitation facilities**
5. **Drinking water**
6. **Occupation of the residents**
7. **Primary health care**
8. **Literacy rate**
9. **School Infrastructure**

The names of these villages and their coordinators are shown in table below:

S.No	Name of village	Name of District	Coordinator
1	Nanibugh	Kulgam	Prof M F Wani
2	Guthligund	Anantnag	Mr S A Sofi
3	Fakir Gujri	Srinagar	Prof F A Mir
4	Puchal	Pulwama	Dr S J Iqbal
5	Muqam	Badgam	Dr S Rubab

The committee carried out detailed survey of these five villages and identified various activities to be carried out in these five villages. Based on this survey, NIT Srinagar wishes to undertake the following techno-social intervention in these villages to make them a model village.

- **Establishment of Innovative centres at grass root level**
- **ICT for school and general public**
- **Improvement in Sanitation & drainage system**
- **Harnessing of Renewable Energy sources**
- **E-health system**
- **Provision of clean drinking water**
- **Improved Irrigation**
- **Modernization of school lab and libraries**
- **Eco protection**
- **Career counselling**

These activities will help in improving the sanitation, drainage and health system, the irrigation facilities and also help in upgrading the teaching aids and laboratories in the schools of these villages.

A detailed proposal comprising of activities to be carried out and the funds required was submitted to BOG NIT Srinagar for approval. BOG approved proposal of Rs 250 Lacs, initially for carrying out above mentioned activities in these villages under UBA scheme. The funds allotted to each activity are as:

Table : Budget allocation to activities

Name of Activity covered under UBA in the villages	Allocation
➤ Establishment of Innovative centres at grass root level	Rs 25 Lacs
➤ ICT for school and general public	Rs 25 Lacs
➤ Improvement in Sanitation & drainage system	Rs 50 Lacs
➤ Harnessing of Renewable Energy sources	Rs 20 Lacs
➤ E-health system	Rs 25 Lacs
➤ Provision of clean drinking water	Rs 50 Lacs
➤ Improved Irrigation	Rs 25 Lacs
➤ Modernization of school lab and libraries	Rs 15 Lacs
➤ Eco protection	Rs 10 Lacs
➤ Career counselling	Rs 05 Lacs
Total Budget	Rs 250 lacs

A detailed project report (DPR) will be submitted to BOG before 30th December 2015 for further implementation of the scheme .
