NIT Srinagar Introduces Students' Gymkhana System on occasion of Teacher's Day

NIT Srinagar Introduces Students' Gymkhana System on occasion of Teacher's Day

Srinagar, Sep 07: In a momentous celebration of Teacher's Day, the National Institute of Technology Srinagar took a significant step towards enhancing student involvement and empowerment by introducing the Student's Gymkhana System.

The event, held on September 5th, 2023, was inaugurated by the Director of NIT Srinagar, Prof. Sudhakar Yedla, and was graced by the presence of the Deans, Heads of Departments, Faculty, Staff and the enthusiastic students of the institute.

The ceremony commenced with a sense of unity and tradition as participants came together for the syncretic Diya lighting and Izband burning ceremony. The lighting of the diya symbolized the enlightenment of knowledge, while the Izband burning ceremony was a homage to the rich cultural heritage of Kashmir.

During the event, a brief presentation was made to help attendees better understand the structure and objectives of the Gymkhana System. This system is designed to empower students by giving them a platform to actively participate in various co-curricular and extracurricular activities, fostering leadership, and nurturing holistic

development.

The Student's Gymkhana System will be managed by the students under the guidance of Faculty Coordinators, the Vice-Chairperson & the Chairperson of Gymkhana System.

It will encompass a wide range of clubs and societies, covering areas such as cultural, technical, sports, arts, and more. This platform will enable students to explore their passions, collaborate with peers, and organize events, workshops, and

competitions.

Director Prof. Sudhakar Yedla expressed his enthusiasm for this new initiative by saying, "NIT Srinagar has always been committed to providing a well-rounded education to its students.

"The Student's Gymkhana System will provide a platform for our students to excel not only academically but also in extra-curricular activities. It is a step towards nurturing well-rounded individuals who will contribute positively to society," he said.

Dean of Students Welfare, Prof. Abdul Liman, in an address, stated, "The introduction of the Student's Gymkhana System is a significant milestone for NIT Srinagar.

"It is not merely an administrative change but a paradigm shift in how we engage with our students. This system will empower our students to shape their own experiences and contribute to the vibrant life of our institute," he added.

The event also saw the

introduction of the office bearers of the Student's Gymkhana System, who were welcomed with great enthusiasm.

While Dean Students Welfare will act ex-officio Chairperson, Prof. Shakeel Ahmad Shah from the Department of Chemistry was appointed as the Vice-Chairperson of the Gymkhana System along with Faculty Coordinators for 8 Clubs.

These dedicated student & Faculty leaders will play a pivotal role in organizing and coordinating a wide range of activities, including cultural events, sports, technical competitions, and social initiatives, enhancing the overall campus experience.

NIT Srinagar's introduction of the Student's Gymkhana System is a testament to the institute's commitment to holistic education and fostering student leadership.

This initiative is expected to open new avenues for students to explore their interests, develop essential skills, and create memorable experiences during their time at NIT Srinagar.

The Student's Gymkhana System is part of many initiatives that Director, Prof. Yedla has been implementing to make NIT Srinagar a well sought after institution for students in India.

15-day Hindi Pakhwada commences at NIT Srinagar

Over 50 students participated in the essay writing competition

Srinagar: The National Institute of Technology (NIT) Srinagar marked the commencement of a 15-day-long Hindi Pakhwada celebration on Tuesday. The event is being organized by the 'Rajbhasha Cell,' featuring a series of activities scheduled until September 29th.

The inaugural day witnessed a workshop for non-teaching staff, presided over by Prakash Chandra Mishra, Hindi Officer at MNIT Allahabad, who served as the main resource person for the event. During his address, he delivered his address on various forms of correspondence and the use of simplified Hindi in official communication. The workshop drew participation from Departmental Coordinators Rajbhasha Cell and registered Prabodh employees, NIT Srinagar's Hindi Officer, R.P. Shukla, and Dr. Nasir F Butt, were the event coordinators. Dr. Prakash Kumar, Dr. Zubair Ansari and Dr. Sabzar were also present on the occasion.

In his address, PC Mishra highlighted the plight of numerous endangered languages worldwide, with many native speakers hesitant to preserve them. He cited the example of Australia, where once, over 400 local and regional languages were once spoken. However, due to the influence of modern languages, only a few dozen languages have survived.

To promote and safeguard Rajbhasha, we must adapt and incorporate words from other languages, including Indo-Arabian scripts," he said. PC Mishra stressed the importance of making Hindi more accessible, particularly in non-Hindi-speaking regions. "We should embrace words from Urdu, Sanskrit, English, and other languages to enhance its comprehensibility," he said.

"Hindi should not suffer the fate of Sanskrit, which became incomprehensible to the majority. Hindi's strength lies in its adaptability, as it readily assimilates words from various languages, making it easily understandable," the resource person added.

PC Mishra also proposed that, if necessary, English words could be transliterated into the Devanagari script to bridge communication gaps. एनआईटी श्रीनगर में 15 दिवसीय हिंदी पखवाड़ा हुआ शुरू

निबंध लेखन प्रतियोगिता में 50 से अधिक विद्यार्थियों ने लिया भाग

—अमरीक कर्मयोगी—

जम्मू। राष्ट्रीय प्रौद्योगिकी संस्थान (एनआईटी) श्रीनगर में मंगलवार को 15 दिवसीय हिंदी पखवाड़ा उत्सव की शुरुआत हुई। यह कार्यक्रम राजभाषा सेल द्वारा आयोजित किया जा रहा है, जिसमें 29 सितंबर तक निर्धारित गतिविधियों की एक शृंखला शामिल है।

उद्घाटन दिवस पर गैर-शिक्षण कर्मचारियों के लिए एक कार्यशाला का आयोजन किया गया जिसकी अध्यक्षता एमएनएनआईटी इलाहाबाद के हिंदी अधिकारी प्रकाश चंद्र मिश्रा ने की, जिन्होंने इस कार्यक्रम के लिए मुख्य संसाधन व्यक्ति के रूप में कार्य किया।

अपने संबोधन के दौरान उन्होंने पत्राचार के विभिन्न रूपों और आधिकारिक संचार में सरलीकृत हिंदी के प्रयोग पर अपना

संबोधन दिया।

कार्यशाला में विभागीय समन्वयक राजभाषा प्रकोष्ठ और पंजीकृत प्रबोध कर्मचारियों ने भाग लिया। एनआईटी श्रीनगर के हिंदी अधिकारी आरपी शुकला और डॉ. नासिर एफ बट कार्यक्रम समन्वयक थे। मौके पर डॉ. ब्रजेश कुमार, डॉ. जुबैर अंसारी व डॉ. सबजार भी

मौजूद थे।

अपने संबोधन में पीसी मिश्रा ने दुनिया भर में कई लुप्तप्राय भाषाओं की दुर्दशा पर प्रकाश डाला। कई देशी भाषाएँ उन्हें संरक्षित करने में झिझक रहे हैं। उन्होंने ऑस्ट्रेलिया का उदाहरण दिया जहाँ एक समय 600 से अधिक स्थानीय और क्षेत्रीय भाषाएँ बोली जाती थीं।

हालाँकि, आधुनिक भाषाओं के प्रभाव के कारण, केवल कुछ दर्जन भाषाएँ ही बची हैं।

उन्होंने कहा कि राजभाषा को बढ़ावा देने और सुरक्षित रखने के लिए हमें इंडो-अरेबियन लिपियों सहित अन्य भाषाओं के शब्दों को अपनाना और शामिल करना होगा। पीसी मिश्रा ने विशेषकर गैर-हिंदी भाषी क्षेत्रों में हिन्दी को और अधिक सुलभ बनाने के महत्व पर बल दिया। उन्होंने कहा कि हमें इसकी समझ बढ़ाने के लिए उर्दू, संस्कृत, अंग्रेजी और अन्य भाषाओं के शब्दों को अपनाना चाहिए।

संसाधन व्यक्ति ने कहा कि हिंदी को संस्कृत का हस्त नही झेलना चाहिए जो बहुसंख्याकों के लिए समझ से बाहर हो गई है। हिंदी की ताकत इसकी अनुकूलनशीलता में निहित है।

SEBI, NSE, NIT Srinagar join forces to promote financial literacy

Executive director of SEBI advocates financial literacy

AATIF QAYOUM

Srinagar, Sep 30: In a collaborative effort, the Securities and Exchange Board of India (SEBI) and the National Stock Exchange (NSE) joined forces with the National Institute of Technology Srinagar to host a seminar on financial literacy on Saturday. The event unfolded as a dynamic initiative aimed at cultivating financial education and elevating awareness about capital markets among the students and faculty of NIT Srinagar.

The inaugural address set the stage with a warm welcome speech by Prof. Adnan Qayoum, the Head of the Department of Humanities, Social Sciences, and Management (HSS&M) at NIT Srinagar. Prof. Qayoum expressed heartfelt gratitude to the distinguished guests and par-

ticipants, underlining the paramount importance of financial literacy in navigating today's ever-evolving economic landscape.

A pivotal moment of the seminar was the presence of the Chief Guest, Shri SVMD Rao, Executive Director of SEBI. Rao imparted invaluable insights into the significance of financial literacy and delineated SEBI's pivotal role in regulating India's securities

and exchange markets. He passionately encouraged the audience, comprised of budding scholars and faculty, to actively engage with financial education and become astute investors.

The seminar seamlessly transitioned into two technically enriched sessions led by distinguished guest speakers. The first session was gracefully orchestrated by Shri Pranjal Jayaswal, General Manager at

SEBI. With erudition and finesse, Jayaswal provided a holistic overview of SEBI's regulatory framework, elucidating its unyielding commitment to safeguarding investors and ensuring the integrity of market practices.

The second technical session, a masterclass in investment, was skillfully conducted by Joginder Singh, Vice President of NSE. With consummate expertise, Singh navigated through the intricacies of capital market investments, illuminating the audience with profound insights into market dynamics, investment strategies, and prudent risk management. His session was met with resounding acclaim from the engaged and enthusiastic audience.

Adding an interactive twist, a spirited quiz challenged participants' knowl-

edge of financial markets and investment principles. This segment not only tested but also enhanced the participants' financial literacy in a fun and engaging manner.

The seminar further fostered a dynamic exchange of ideas during the lively Q&A session that followed the technical presentations. Students and faculty seized the opportunity to seek guidance and clarification from the expert speakers, enriching their understanding of the financial world.

To draw the curtains on this enlightening seminar, Miss Kanika delivered a heartfelt vote of thanks, extending appreciation to all attendees, speakers, and organizers for orchestrating a resounding success. She also underscored the continuous imperative of augmenting financial literacy among the youth.

The event was aimed at promoting financial education and fostering awareness about capital markets among the students and faculty of NIT Srinagar. The seminar commenced with a warm welcome speech by Prof. Adnan Qayoum, the Head of the Department of Humanities, Social Sciences and Management (HSS&M) at NIT Srinagar.

He extended his gratitude to the esteemed guests and participants, emphasizing the significance of financial literacy in today's dynamic economic landscape.

The highlight of the seminar was the presence of the Chief Guest, Mr. Shri SVMMD Rao, Executive Director of SEBI. Mr. Rao shared insights into the importance of financial literacy and the role of SEBI in regulating India's securities and exchange markets.

He encouraged the audience to take an active interest

in financial education and be prudent investors.

Following the opening address, the seminar featured two technical sessions conducted by eminent guest speakers. The first session was led by Mr. Shri Pranjal Jayaswal, General Manager at SEBI. Mr. Jayaswal provided a comprehensive overview of SEBI's regulatory framework and its efforts to protect investors and ensure fair market practices.

The second technical session was conducted by Mr. Joginder Singh, Vice President of NSE. Mr. Singh delved into the intricacies of investing in capital markets, providing valuable insights on market dynamics, investment strategies, and risk management. His session was particularly well-received by the enthusiastic audience.

The seminar also featured an engaging quiz that tested the participants' knowledge of financial markets and investment principles. It provided a

fun and educational way for the attendees to assess their financial literacy.

A lively interactive Q&A session followed the technical sessions, allowing students and faculty to clarify doubts and seek advice from the expert speakers.

To conclude the seminar, a vote of thanks was delivered by Miss Kanika, expressing gratitude to all the attendees, speakers, and organizers for making the event a success. She also stressed the importance of continued efforts to enhance financial literacy among the youth.

The seminar on financial literacy organized by SEBI, NSE, and NIT Srinagar was a resounding success, leaving participants better informed about the world of finance and investment. It reflected the commitment of these organizations to empower individuals with the knowledge and skills necessary to make informed financial decisions.
